PRESIDENTS NOTES

OOPS!

In last month's newsletter, I said it would be the Louisville Chapter's turn to host a GLR Conference in 2 years. Turns out I was wrong!

Next year's GLR Conference will be held in Cleveland and the following year in Indianapolis. However, the year after that (FY16) is open! In fact, since we last hosted a Region Conference every Chapter in the Region capable of hosting a Region Conference has done so or will have done so by FY15. So, be prepared!

3 years off may seem like a long time, but in terms of planning for a Region Conference it is not. Over that time period, our Chapter needs to field a good contingency of Chapter members who have attended recent Region Conferences, who know what is expected, and know who at the Region level they will need to deal with.

At this year's GLR Conference, the Louisville Chapter was well represented. I would like to thank the following members for taking the time and making the effort to attend this year's conference in Cincinnati:

- Jimmie Bornstein
- Sam Cilone
- Sarah Easton
- Mark Fitzgerald
- John Kelly
- Mark Lods
- Jim Stanley

Hopefully, they will share their GLR

Conference experience with others and encourage them to attend next year's Conference. (Hint: Newsletter articles about your GLR Conference experience will be welcomed.)

Next year's GLR Conference in Cleveland will be a difficult one for Louisville Chapter members to attend. For those who do, I am sure they will find it a worthwhile experience. I plan to attend, and I have heard from at least one of this year's Louisville Chapter members that they plan to attend the Conference in Cleveland as well.

To provide a bit of the flavor of what goes on at a Region Conference, photos of the Conference have been posted at the following sites:

CSI MEMBERS VISIT CONNEY ADAMS

Pictured above with Conrad Adam are David Heyne, Dale Curth, Tom Raderer, John Oliva and John Kelly.

Several members from the Louisville Chapter CSI recently paid a visit to longtime chapter member Conrad Adam at his home. Conrad suffered a stroke last October and has since been pretty much home-bound except for getting to doctor and therapist appointments. We are hopeful that Conney will be able to join us at a future CSI event.

Some stories were told and some reminiscing took place. Pictures taken at the June Award's Banquet were shared with Conney and his wife Jo and the Distinguished Service Award Certificate that was presented to Conney in his absence at the June Award's Ceremony was presented to Conney at this gathering. This Distinguished Service award was believed to be the first that the chapter has ever presented lending to its prestige and significance.

Conney can be reached by phone at 458-9508 and his address is 4304 Green Pine Court, Louisville, KY 40220. He would enjoy hearing from you.

From the Desk of the Executive Director, Pat Sloan - AUGUST, 2012

Email: psloan43@bellsouth.net

Happy August days. Some are taking those last minute vacations before school begins and others are working hard at trying to keep cool during these hot summer days we have been experiencing. For those that need a little cooling off, this month's meeting will be held at the Builder's Exchange Conference Room so we will have plenty of time to network prior to the meeting.

TABLE TOP DISPLAY: Why not purchase a table top at our August meeting and tell us more about your company. Members cost just \$50. Members cost is \$50. And non-members table top price is \$100. Set up before 5:30 p.m. and plan to give a five-minute presentation during our meeting. An opportunity to share information.

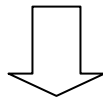

COMMITTEE WORK: Just a reminder!!! If you have not joined a CSI committee, I ask that you give it serious thought. Being involved in committee work can help in your career objectives as well as opportunities to know other members. It can be a rewarding experience that benefits you and the chapter.

Have you heard? For a limited time our split-the-pot raffle will include not only the split but a second chance drawing for a FREE table top display at the next regular meeting with a one-time ad in that monthly newsletter.

TIP OF THE MONTH

**** . Don't delay!!!** Take steps to include in your goals the educational and certification opportunities that are offered by CSI. 1) Attend our monthly meetings for networking and educational programs. 2) Review the website, www.csinet.org discussion groups, practice groups, blogs, certification, webinars .. see example below of upcoming opportunities.

President's Article *continued...*

The GLR will also be collecting photos from others and posting them on the Region web site at: <http://greatlakes.csinet.org/>.

National Convention:

Believe it or not, the CSI National Convention will be here before you know it: September 11-14, 2012. This year's Convention will be held in Phoenix, Arizona. It is not too early to register and make plans to attend.

<http://www.csiphoenix.org/CONSTRUCT2012.aspx>

As was announced at our July Chapter meeting, the Louisville Chapter will be recognized by the Institute as an Outstanding Chapter at the National Convention! Dale Curth (Chapter President during the term being honored) and Sandy Moore Auckerman (Chapter Awards Chair), and I will be in Phoenix to accept the Award.

Thank you to Dale for his leadership during the term being honored and to all Chapter members who contributed to making this award possible. A special thank you goes to Sandy Moore Auckerman for compiling all the information necessary to receive recognition and submitting it to the Institute for consideration.

Bylaws:

While at the GLR Conference, I was presented by the Institute Secretary, Lane Beougher, with a copy of our proposed new Bylaws. Lane noted some very minor revisions that need to be made. Once those revisions are made, the new Bylaws will be presented to the Chapter for its review and approval.

Our Bylaws Chair, Tom Raderer, deserves a special thank you for his efforts at preparing our proposed new Bylaws and shepherding them through the Institute's review process - not an easy task. BTW, Lane confided to me that our Chapter's Bylaws was one of the best he had reviewed. Good Job, Tom!

For those interested in knowing, the changes in our Bylaws were caused by a change in the Institute's Bylaws related to membership classifications and structure. Our Chapter's Bylaws needed to be changed to be in line with the Institute's.

Be looking for an announcement in the September edition of the Speciflier regarding our new Bylaws and their approval.
